By adding Platinum Auto Elite to your Platinum account, you get seven of our most popular coverage options, providing the best value along with the great protection.

Pet injury protection

Helps ease the financial burden if your dog or cat is injured while they are in your vehicle during a car accident. This covers up to \$500 in veterinarian bills and up to \$500 for burial/disposal expenses if your dog or cat passes on while riding in your vehicle due to a car accident.

Rental car coverage

If you have an accident in a rented auto, the following items will be covered:

- **Loss of use:** The rental value of the duration the car is out of service for which you are liable
- **Diminished value:** The difference in the car's resale value after it has been repaired
- **Reasonable fees:** The expenses the rental company incurs processing the claim for which you are liable

Trip interruption

For a covered loss when you are on a trip more than 100+ miles away from home, you get reimbursement up to \$1K for reasonable and necessary expenses, including:

- Food and lodging
- Travel expenses to get home or to your intended destination
- Cost of returning your covered auto to your home or place of garaging (except in the case of a total loss)

Rental coverage upgrade

This coverage lets you choose from a luxury car or large SUV from our preferred rental provider while your car is repaired after a covered accident.

Home care services

If you're hurt in an auto accident and are unable to perform home-based "essential services" while you recover, this coverage pays up to \$2,500 (maximum of \$500 per month) for services such as, but not limited to:

- Housekeeping
- Food preparation
- Transportation services
- Lawn mowing and snow removal

Accidental airbag deployment

If your factory-installed airbag deploys in an event not related to a collision or comprehensive loss, the cost of reinstalling your airbag is fully covered. No deductible applies.

Accidental death benefit

Pays \$10K for each insured family member whose death results from an auto accident involving your covered auto—provided they were wearing a seat belt at the time.
