Dear (Valued Customer),

You've worked hard to get where you are and you don't want to risk losing all of that over something you might not be able to control. The times we live in have brought about significant changes in the insurance needs of families and individuals.

A large liability suit could take everything you own. For this reason, you should consider getting a Hanover personal umbrella policy.

For as little as \$20 per month, a Hanover umbrella policy picks up where your required basic insurance leaves off by providing up to \$1,000,000 of excess liability coverage. The policy may also protect against some liability hazards not covered under basic policies.

Umbrella benefits:

- \$1,000,000 to \$10,000,000 (\$5,000,000 in LA) limits available
- Covers the cost of your defense when you are sued
- World-wide coverage is available
- Typically costs about \$20 a month for \$1,000,000 of coverage.

Only The Hanover can provide you this extensive coverage as an addition to The Hanover Platinum experience.
