

Risk Solutions Partners in Safety

Background checks and employment screening

At The Hanover, our Risk Solutions experts are on hand to help businesses mitigate risk with a broad range of solutions. And we know that sometimes, business owners need a solution that doesn't come from an insurance company.

To cover that gap, we've negotiated with an array of providers to help address safety and security needs at low or no-cost, and sometimes, reduce deductibles in the process.

Our Risk Solutions Partner, **IntelliCorp**, provides comprehensive background check services to help our valued Hanover policyholders screen applicants, answer questions about a candidate's integrity and help select the right individuals for their team.

IntelliCorp

IntelliCorp's comprehensive background check services help employers screen applicants with an easy-to-use interface that provides policyholders with quality and validated criminal results at discounted prices. Support capabilities include personalized customer service,

training and compliance, as well as the advantage of streamlined processes and paramount privacy and security to protect sensitive information.

IntelliCorp is a Verisk Analytics company, and has earned formal accreditation through the National Association of Professional Background Screeners (NAPBS).
