Home, auto and watercraft coverage—all together

You already enjoy home and auto coverage with The Hanover, one of our preferred insurance carriers. Why not cover your boat with them too?

The Hanover's basic watercraft package offers above and beyond protection. Plus, you'll also experience the convenience of having just one bill to pay, and one number to call in the event of a claim—home, auto or the boat you love.

Save money by adding Hanover **watercraft coverage** to your current **home and auto** policies. Give us a call today, and visit [hanover.com/watercraft](https://www.hanover.com/watercraft) to learn more.
